### **LETTER TO THE EDITOR THANK YOU FOR SHARING YOUR THOUGHTS**

---

To the Editor:

I would like to thank the residents of Ham Lake and Andover for their presence at my recent town hall meeting. It is great to have town members collectively participate by gathering to discuss the current issues facing us in the State Legislature. It is very important to me that the people of my districts share their thoughts and opinions so I can best represent them in St. Paul.

I was impressed with the discussion priorities from the citizens of Ham Lake and Andover. It is clear to me they want the state to live just like their families do: on a budget. So when I vote on the budget bills this year I will make sure the state is not spending more money than it takes in. After all that's how the family budget works and the state budget should be no different.

For those unable to attend the town meeting your thoughts are equally important to me so I would like receive any further comments, questions, or general feedback you may have regarding the meeting. Please do not hesitate to contact me at via phone at 651-296-4231, by emailing me at [rep.peggy.scott@house.mn](mailto:rep.peggy.scott@house.mn), or sending mail to 225 State Office Building, 100 Rev. Dr. Martin Luther King Jr. Blvd., Saint Paul, Minnesota 55155

Sincerely,  
Representative Peggy Scott
